Track Meet Slated

The triangular track meet scheduled in The Dalles Wednesday with Hood River and Wy'east visiting has been revised to a dual meet.

Athletic director Don Martin has learned that the Eagles have been restricted in turnouts because of inclement weather. Hood River, so far as Martin knows, will be here.

Field events are scheduled to begin at 3:40 p.m., and track

events at about 4:20, says coach Al Miller. Both varsity and jayvee events are scheduled.

The meet, which opens the season for coach Al Miller's thin-clads, will be a shape up meet for the coming invitational Willamette Relays this Saturday at Willamette University at Salem. Miller says between 30 and 40 Dalles Indians will be making the trip to Salem.
