Dalles Thinclads Win Triangular At Hood River

The Dalles track and field teams Tuesday won a triangular meet at Hood River over the hosts and Concordia. The Indians, coached by Al Miller, totaled 68 points, Hood River was next with 60 and Concordia had 28.

Outstanding performance by an Indian was that of senior Randy Martin in the javelin throw. Martin bettered his previous throw by more than three feet—hurling the spear Tuesday 154 feet, two inches.

Some of the marks are not on a par with those cited in earlier publications, but that's because some of the short track events, like the 220-yard dash and the low hurdles, were run on a curve rather than the usual straight-away.

Too, there was mud at the "lift off" spot by the high jump bar.

That Dalles' next meet is this Saturday in Bend, a 10-school invitational where nearly all events will be measured in meters.
