Tribe Track Forces Split Pair; Ken Bailey Tops Weight Events

With only the Bend Bulletin remaining before Sub-District, the Indian trackmen recently split as they finished up their season. The Indians won over Hood River and lost to Hermiston.

The defeat to Hermiston was here April 27. In the totaling of placers the Indian trackmen only took four firsts but dominated the seconds and thirds to bring the team scores closer. The four first placers were Ken Bailey in both discus and shot, Gary Morioka in the 100 yd. dash and Randy Martin in the javelin.

In other events, Harry Skandara nabbed second spot in the mile while John Marriss also took a second in the 440 in 55.4 seconds.

In the field events two boys seem to keep improving. Forest Streb broad jumped 19' 4 1/2" and Bill Gustafson pole vaulted 10' 6".

Another boy who seems to be moving and improving very fast is JV'er John Altendorf, who pole vaulted 10' and should soon be Varsity.

The final point tally of the Hermiston meet was Hermiston 60 and the Indians 50. The JV Indians, however, took their meet 74-43.

Four days later The Dalles traveled to Hood River for a three way meet between Hood River, The Dalles and Concordia. The final scores for this meet were The Dalles, 68, Hood River, 60, and Concordia, 23.

The seven winners for the Indians were Gary Morioka, Harry Skandara, Bill Gustafson, Randy Martin, Ken Bailey in both discus and shot, and John Merriss. Though he didn't equal his Hermiston performance, Ken Bailey was again the outstanding athlete, winning the two events.
