Spikers To Run Full Distance

The Dalles track team, both varsity and jayvee, plunges into its first full distance meet Friday afternoon with a three-way meet at Hood River. Wy'east also will be entered.

Coach Al Miller said this morning he is looking forward to some good times in the sprints and distance running if the weather is favorable.

The Indians thinclads have been working outside at the Thompson Street site until yesterday when rain drove them into Kurtz Gym.

Tomorrow's meet is scheduled to start at 3 p.m.

The local thinclads will partake in their first home meet next weekend when the Mid-Columbia Invitational is held here Friday. About a half dozen A-1 and A-2 schools are expected to be entered in that meet, Miller said.
