Bend Spikers Test The Dalles Friday

The Dalles has had some fairly successful track meets so far this season with teams ranging from Wy'east to Redmond.

But this Friday they will be going against an undefeated team that is fast and strong in both running and field events, that recently won the A-1 division of the Hayward Relays and promises to be one of the stalwarts in the forthcoming district track meet in The Dalles.

The visitors are the Bend Lava Bears.

Originally, this meet was scheduled Saturday but was advanced because of choral commitments by team members from both

schools. Name the event, and Bend appears strong in it.

Some of the best times and distances recorded by this week's visitors are High Hurdles, 15.3, Bill Hutton; 100-Yard-Dash, 10.4, Jim Radke; Low Hurdles, 20.3, Hutton; Javelin, 186-11, Jim Leagjeld; Shot Put, 50-7½, Smith; 220-Yard-Dash, 23.3, Radke; Broad Jump, 20-3¾, Hutton; 880-Yard Run, 2:03.6, Herb Hickman; Discus, 137-4, Smith.

Coach Al Miller of The Dalles says the meet, to be at the Thompson Street site, will begin at 4 p.m.
