Dalles Entrants Gain Experience

The Dalles' three entrants in the state track meet gained experience, if not ribbons, and two of them may make the trip again next year.

John Merriss, Indians distance runner, ran the mile in 4:38.4; Loren Craber, high hurdler, ran this event in 15.7 in the preliminaries Friday; and John Altendorf pole vaulted 11-6 and bowed out at 12-0.

Both Craber and Altendorf are juniors and may look forward to next year's trip.

The experience particularly was good for Altendorf who, like the others, watched the OSU-Alumni game afterwards. Altendorf, watching the action of Terry Baker and Gordon Queen, is a strong candidate for starting quarterback here next fall.
