# New Track Records Set

John Altendorf, who quarter-backed The Dalles football team to a 7-2 record last fall after the Indians were down 0-2, set a new DHS pole vault record at Wy'east Thursday.

The 5-10, 154-pound senior cleared the bar at 12-4½, breaking a school record set less than a year ago.

The former mark was 12-2½ by graduate Steve Lawrence in 1963.

After 10-6 mark was surpassed, Altendorf was working the event alone, the vaulters from the other two competing schools, Goldendale and host Wy'east, dropping out.

Altendorf went on to clear 11-0 and 11-6 and, in the cool afternoon, set it over the 12-foot mark at what first was thought to be 12-3. After establishing the new mark on his first jump, the bar was elevated to 12-8 where he missed in three tries.

Speed-laden Goldendale won the triangular meet with 67½ points, followed by The Dalles with 62 and Wy'east at 32½.

Wy'east won the jayvee meet with 68, followed by The Dalles with 52½ and Goldendale at 35½.

The Dalles, with several junior high school freshmen competing on its varsity team, established three new junior high school records.

In the broad jump, Luther Goin set a new mark at 19-3, bettering Junior Gary Ordway's 1962 record of 18-8½.

And Doug Stroh set a new record in the 440-yard dash in 55.15, bettering the mark he himself set only last year of 57.4.

Finally, Lynn Williams established a high school mark in the two-mile run of 11:14.3. It is a new record because this is the first time the event has been recorded at DHS.

A junior high record overlooked last week in the Mid-Columbia Relays at The Dalles was Ernie Tuttle's high jump of 9.9, bettering Eric Ackerman's 1963 junior high mark of 9-6 and Chuck Pryor's 1962 record of the same 9-6.

Varsity mentor Al Miller next will take his team to the Wa-Hi Relays at Walla Walla next Friday at 7 p.m.
