Bend Strength, Depth Decides Subdistrict

BEND — Bend's track and field team remains the favorite to pick up the marbles at the District 7-A1 meet in Hermiton this Friday.

The Lava Bears took nine first places out of the 15 events held and showed depth in most of the events.

Key double winners for the hosts were Clyde Smith and Bob Nosler. Smith won the discus with a 160- $\frac{3}{4}$ throw and the shot with a 57-11 heave. Nosler won the high and low hurdles in 15.4 and 20.1 respectively. Nosler also ran a leg for the winning relay team.

Bend ran away with the meet, compiling 188 $\frac{1}{3}$ points. Redmond was second with 80, followed by The Dalles 75 $\frac{3}{4}$, Prineville 25 and Madras 21.

Although the Indians finished third, they did bring a few records to the Mid-Columbia city.

Senior John Altendorf, although relaxing most of the week as the result of head injuries a week ago, nevertheless won the pole vault with a 12-6 clearance. It didn't beat his 13-4 $\frac{1}{2}$, but it is a new subdistrict record. Old mark was 12-3 by Bill Tye of Bend in 1963.

Harry Skandera, another senior, didn't set a subdistrict record but did manage a new mark for Dalles High School in the 880-yard run with a 2:03.6 timing. Skandera, who has favored an injured foot most of the last two seasons, bettered John Merriss' 1963 mark of 2:03.9.
