CWSC Rips Pilots, 106-29

Central Washington's fine blend of strength and depth was far too much for the University of Portland to handle and the Wildcats breezed to an easy 106-29 dual track and field meet victory Saturday afternoon at UP.

The triumph was the 18th straight for Central over a three-year period and the Wildcats now are looking forward to a showdown with strong Portland State, May 13 at Ellensburg.

Mike Martini was the only Pilot to crack the visitors' victory monopoly, winning the triple jump at 41-8 and the high jump at 6-3.
