# Pilots Beaten In Track Test

SEATTLE (AP) — Sophomore Steve Gough won five events Saturday to lead the Seattle Pacific Falcons to a 98-47 win over the University of Portland in a track and field meet.

Gough won the long jump, triple jump, high jump, high hurdles and the javelin — an event in which he had participated only twice before.

Three meet records were set — two by Portland. The Pilots' Paul Kirkland set a record of 4:16 in the mile, and Mike McCabe of Portland finished the two-mile in 9:20.8 for a meet record.
